

## **Subaru unveiled STI complete car S210 Prototype (Japanese model) at Tokyo Auto Salon 2025**

Tokyo, January 10, 2025 – Subaru Corporation and its motorsport subsidiary Subaru Tecnica International (STI)<sup>\*1</sup> exhibited at Tokyo Auto Salon 2025 held on January 10 to 12, 2025 at Makuhari Messe in Chiba, Japan.

SUBARU/STI booth image

Subaru has unveiled the STI complete car S210 prototype (Japanese model) which was developed by incorporating the technology and knowledge gained from the Nürburgring 24-Hour Race. Also, customized models equipped with various STI performance parts are displayed.

On the Subaru official website, a special site for the Tokyo Auto Salon has been set up to deliver information on the Subaru/STI booth: <https://www.subaru.jp/tas/> (in Japanese only)
