

Subaru earns 2024 IIHS Awards for All-New Forester (Applies to U.S. models only, Excludes Wilderness Trim)

Tokyo, January 15, 2025 – Subaru Corporation announced the 2025 All-New Forester (excluding Wilderness Trim) was named a 2024 *TOP SAFETY PICK+* by the Insurance Institute for Highway Safety (IIHS).

2025 All-New Subaru Forester (U.S. model)

2024 IIHS *TOP SAFETY PICK+* award logo

To qualify for the *TOP SAFETY PICK+* award, vehicles must earn “Good” ratings for small overlap front and updated side tests, an “Acceptable” or “Good” rating in the pedestrian front crash prevention evaluation and acceptable- or good-rated headlights across all trim levels. In addition, an “Acceptable” or “Good” rating is required for the updated moderate front crash test.

Since 2007, Forester has received the IIHS *TOP SAFETY PICK* award 18 times, more than any other small SUV. Since 2013, Subaru has received a cumulative total of 73 *TOP SAFETY PICK+* awards, which is more than any other brand.*1*2*3

*1: Claim applies to U.S.-spec vehicles

*2: Based on research conducted by Subaru of America, Inc. and Subaru Canada, Inc.

*3: As of January 2025
